## RELEVANT EXPERIENCE

### "Catapult" Intern

June 2nd - July 2nd 2025

#### Catapult Program, Nextech, Indianapolis, IN

- Developed many projects that challenged my coding skills
- Designed a digital portfolio based on the coding skills taught at the place
- Helped fellow interns into designing projects based on what they needed
- Recognized as Top 8 for the best digital portfolio

### Cashier, Server

February 2024 - April 2025

#### Manhattan Pizzeria Restaurant, Indianapolis, IN

- Helped customers with inquiries about the restaurant
- Took leadership in self-training myself to learn how to make pizzas
- Served Food towards customers with always having positive ratings of my service
- Organized the workplace so my coworkers could perform the best they could

## ADDITIONAL ACTIVITIES

### PHS First Robotics Team

September 2024 - Present

- Programmed different kinds of robots in order to control it for a competition,
- Learned how different kinds of sensors and cable works, that helped the computer communicate with the robots.
- Led the programming in one robot on my own, motivating others to help in this process

### PHS E-Sport League Club

January 2025 - Present

- Served as referee for the Varsity team
- Helped train both varsity and club level teams
